Details are available in the Cruise Services Directory located in your stateroom.

### Seapass® Cash Account Limits

Please be aware that the credit limit is \$500 for guests with cash SeaPass® accounts. Once this limit is reached, the account will be deactivated. To reactivate the account, a cash deposit must be made on the account or a credit card must be linked to the account. Stop by the Guest Services Desk to learn more.

### Alcohol Policy

The minimum drinking age for all alcoholic beverages on Royal Caribbean International ships sailing from Europe is 18. Guests who choose to consume alcohol must do so responsibly.

### Helpful Health Information

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses – such as a Norovirus that can be transferred easily through person-to-person contact – is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention and Public Health Agencies around the world, Noroviruses affect millions on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, you must visit the ship's medical facility for a complimentary consultation and treatment, if necessary.

### Food Advisory

Animal Food such as beef, eggs, lamb, milk, pork or shellfish that is raw or undercooked significantly increases risk to vulnerable and immunodeficient guests.
