Independent Vendor Rental Advisory

Guests are cautioned against renting personal watercrafts or mopeds in ports of call from vendors not associated with Royal Caribbean International. Unfamiliar environments, questionable personal protection devices, and unknown maintenance of equipment may result in a serious accident. For your safety, we offer trained and experienced instructors through organized shore excursions.

Satellite Connection

Due to our positioning, satellite outage may occur during your cruise holiday while in the Norwegian fjords. This will affect several services, including Internet, telephone, ATM machines, TV broadcasting and daily news. We apologize for any inconvenience.

Important Departure Information

In order to ensure a smooth departure in Southampton, we kindly request that all guests please complete the Departure Questionnaire in your stateroom and drop it in the box at Guest Services by Day 5, May 21 (Olden).

Transfers

Enjoy the convenience of purchasing your airport transfer to London Heathrow or London Gatwick airport onboard. Transfer costs \$101 per person and can be purchased at Guest Services, Deck 5. Flight details will be required to book your transfer. Deadline for purchasing is Day 5, May 21st (Olden) by noon. Departure time from the ship may range between 6:45 am and 7:30 am, depending on airport and Terminal.

Helpful Health Information

Medical experts tell us that the best way to prevent colds, flu, or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the U.S. Centers for Disease Control and Prevention and Public Health Agencies around the world, Noroviruses affect millions on land each year. In fact, the only illness that is more prevalent is the common cold. Should you experience any gastrointestinal illness, you must visit the ship's medical facility for a complimentary consultation and treatment, if necessary.

Food Advisory

Animal Food such as beef, eggs, lamb, milk, pork or shellfish that is raw or undercooked significantly increases risk to vulnerable and immunodeficient guests.
