

CRUISE COMPASS

HARMONY OF THE SEAS®

DAY 6 Friday, April 12, 2019 Cozumel, Mexico

FEEL THE WARMTH OF COZUMEL

Cozumel has always been many things to many different people. For the Maya, it was a spiritual sanctuary, a sacred shrine. The Spanish Conquistadors believed it to be a gold mine, literally. And for the 17th-century pirates, Cozumel was a base of operations. Even today, the island has many faces - a diver's dream, a shopper's paradise, an archaeologist's playground and a holidaymaker's haven. With so many options, where do you begin? The ancient Mayan city of Tulum is not very far from the port and certainly worth the trip. The azure waters are ever so tempting, whether you go on a deep-sea fishing adventure, a snorkeling excursion, or just admire the view from the white sand beaches.
